

Paramount Range Hand Sanitiser

70% ALCOHOL

With Moisturising

Antibacterial

8 ML GRAYFORD HAND SANITISER

50 ML GRAYFORD HAND SANITISER

100 ML GRAYFORD HAND SANITISER

250 ML GRAYFORD HAND SANITISER

500 ML GRAYFORD HAND SANITISER

1000 ML GRAYFORD HAND SANITISER

PROPERTIES AND USES:

Antibac Antiseptic Hand Sanitiser is a product intended for hand disinfection. Disinfecting agent is ethanol, which effectively disinfects and evaporates quickly from the skin. Antibac contains glycerol and glyceryl cocoate which maintain the skin's natural moisture balance and thus the product does not dry hands.
